CRESCENT CITY.

is one of the most beautiful locations in Florida. Tourists will find it an ideal spot to spend the winter, or pass a few days of keen delight. The town is on Crescent Lake

(an arm of the St. Johns River) and is 100 miles by water, and 77 miles by rail from Jackson-

ville,

The all day river ride on the steamer Crescent, from Jacksonville to Crescent City, is one of the delightful experiences of Florida travel. The steamer leaves Jacksonville at 8 a. m. every Tuesday, Thursday and Saturday, reaching Crescent City at 8 p. m. This trip is the only daylight ride up the broad daylight ride up the broad picturesque St. Johns. The steamer has pretty cabins and offers a delightful outlook

even in stormy weather. Crescent City is the center of the orange growing industry in middle Florida, and beautiful groves surround the place. Good boating, hunting and fishing will afford amusement

for sportsmen. Naptha launches can be secured cheaply for water trips. Crescent City has good hotels and boarding houses at moderate rates.

Trick of the Drug Trade.

"Never ask for the copy of a prescription at the time you buy the medi-cine," said the dyspeptic looking man. "In nine out of ten drug stores they will tack 10 or 15 cents to the regular price of the medicine if you do. That of course is contrary to professional etiquette. Druggists are not supposed to charge extra for furnishing a copy of a prescription. If you will wait a few days and ask for it, unaccompanied by a bottle of medicine, they won't have the nerve to do it, but when the two are prepared together they can gain some compensation for their extra work and the loss of a possible customer without anybody being the wiser."—New York Press.
